

# RG-EG100/200 Series Reyee SMB Cloud Managed Router

**DATASHEET** 

#### / Highlights

- User friendly configuration, easy to learn.
- Support unbreakable and load balancing multi-WAN internet.
- Easy to block unwanted applications with automatically updated library.
- Customize portal page, what you see is what you get.
- Secure access your internal device remotely.

# Secure Access Internal Device Remotely

No matter dynamic or even private IP on gateway WAN port, Securely monitoring the NVR/IPC/Internal Server anytime from anywhere .

#### Cloud, Make Your Business Easy

- Self-organizing network
- Centralized network management
- Scenario based configuration
- Cloud portal authentication
- Remote monitoring and maintenance

# Specifications
